MEMS Institution-Industry Cell

Industry Institute Interaction Cell is established to provide closer links with industries. The purpose of the cell is to find out the gap between need of industry and end product of the Institute. The cell is the bridge between the industry, the real world and the Institute.

OBJECTIVES

1. To synchronize the imparted teachings to meet the current trends and needs of industry.
2. To produce employable students i.e., "Industry-Ready students."
3. To create adequate facilities for upgrading knowledge of professional engineers and technologists to meet the growth and developmental needs of the current industry.
4. To integrate industrial training and other inputs to develop students.
5. To share the experience and expertise between institutions and industry for mutual benefits.
6. To improve students, faculty, infrastructure, pedagogy in line with the industry's requirements.
7. To arrange industrial visit, internships for students and guest faculty from industry.

FUNCTIONS

1. College/Industry Institute Interaction Cell continuously encourage students to undergo internship during semester vacation to synchronize the quality of education to meet the current trends and needs of industry
2. To arrange the guest lectures by experts from industry frequently to make the students familiar with latest industrial practices so that they become "Industry-Ready students."
3. To organize the industrial visits for students and staff to learn the latest industrial practices.
4. To send the students for Industrial Training Programs to train them in the latest technologies.

The following members are the members of Institute-Industry Cell of Modern Engineering and Management Studies.

ESTABLISHMENT OF PLATFORM FOR SEEKING HELP AND GUIDANCE W.R.T PSYCHOLOGICAL COUNSELLING RELATED TO MENTAL HEALTH FOR STUDENTS, FACULTY AND NON-TEACHING FACULTY

Counselling is a process that aims to facilitate the personal well-being of the students through the support and guidance of trained counsellors, for a healthy mind and body.

With the intent to address and help resolve the emotional and psychological issues of the student community of SMVITM, the college has initiated the “Counseling Cell” in the college premises with the help of a trained team of faculty members as Counselors.

The Counseling Cell encourages the students to understand themselves and the issues that trouble them and guides them to resolve their problems. These problems can be personal, emotional, social, family, peer, academic, sexual, etc. This is done through individual or group counseling to help them with academic goals, social and personality development, career goals, enhancing listening skills, empathy and interpersonal skills to have healthy relationships and a healthy lifestyle.

The role of the Counselor is to offer support through listening and responding in a confidential, non-judgmental and timely way, ensuring that the students become productive, well-adjusted adults of tomorrow. They are trained to assess, diagnose, and treat students struggling with academic stress, anxiety, depression, social addictions, and other problems they face. The goal of Counseling is to facilitate positive behavior changes, improve the student’s ability to establish and maintain relationships socially, promote their decision-making process, helping the student to understand their own potential and cope effectively with the problems they face.

Objectives:

- To help the students in solving their personal, educational, social as well as psychological problems.
- To create awareness about issues and problems related to the mental health of the student.
- To motivate faculty in counselling activities.

Roles and Responsibilities

- Solve the personal problems of the student by conducting an individual counselling session.
- Boost the self-esteem of weaker/physically challenged students.
- Diagnose the learning difficulties of students and help them to overcome the same.
- Help the students to overcome examination stress or fear.
- Conduct training programs on counselling skills for faculty & staff.
- Conduct seminars for students on mental health and addiction issues.
- Refer the students to professional psychiatrists or counsellors in severe cases.
- Inform the parents about the psychological misbehavior of the student.
