

# Modern Engineering & Management Studies

Approved by AICTE & Affiliated to BPUT  
N.H.-16, Banaparia, Kuruda, Balasore, Odisha-756056  
e-mail : principal@mems.net.in, Visit us : www.mems.edu.in

In keeping with the **latest** in the **World of Education.**

Modern Engineering and Management Studies (MEMS) is an Institute **recognised and approved by All India Council for Technical Education (AICTE) and Affiliated to BPUT**. Tranquil surrounding of MEMS with lush green campus stimulate the young minds intellectually to put their best foot forward in academic, co-curricular and extra-curricular activities. The Institute provides **well trained Faculties with Guest Professors from IIT, Kharagpur, Industries and DRDO**.

**All students must ensure to fulfill the requirements of AICTE & BPUT guidelines with regards to regular attendance.**

## MEMS Offers

B. Tech in:

- Civil Engg. (60)
- Mechanical Engg. (60)
- Electrical Engg. (60)
- Computer Science & Engg. (60)
- Electronics & Communication Engg. (60)

## MEMS provides State of the Art:

- National Digital Library & NDL Club
- Library with AC Reading Room for SWAYAM/MOOCs Courses, NPTEL
- Wi-Fi campus ■ Video Conferencing
- Well Furnished Class Rooms ■ AC Computer Labs.
- Online Interactive Trainings ■ Barrier Free Environment
- Well Equipped Laboratories ■ AC Seminar Hall

## MBA with dual specialization

- HR ■ Marketing
- Finance

**100%**  
Placement assistance  
in collaboration with leading  
companies, MEMS Students are  
placed in various companies  
like Capgemini, TCS,  
SM Consultants, Sutherland  
& many more ...

## MEMS acts as a grooming center by providing:

- Regular Seminars ■ Personality Development Sessions
- Corporate Readiness Training ■ Internships through Internshala & AICTE-Internship ■ NSS ■ Industry Institution Cell ■ Incubation Center ■ ARIIA
- Simulation Labs ■ Virtual Labs ■ Seminars ■ Webinars
- HACKATHON ■ Exhibition ■ Symposia ■ Conference

For details download  
**MEMS App from Google Playstore.**

### Why MEMS?

- World class academic infrastructure
- Air-conditioned academic block
- Wi-Fi enabled campus
- Round the clock library facilities with Magazines, Journals & Periodicals
- Language lab with communication assistance software
- Experienced Faculties drawn from Premier Academic Institutions & Industries
- Scholarship & Reward for deserving students for their performance
- Interaction with Industries for bridging the gap between Academics & Industries
- Remedial coaching and care for weak students
- Periodic Seminars and Invited Talks from Experts in the field of Engineering and Management

### VISION

To emerge as a visionary Institution and to become a dream boat for knowledge seekers in the field of technical and management education.

### MISSION

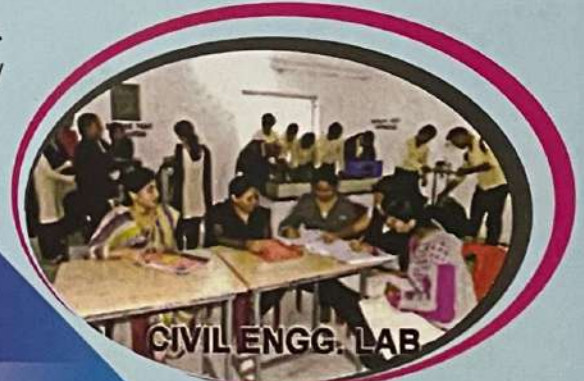

- To produce technical leaders with global exposure to emerging frontiers of technology, industry & management, so that they can fit into the latest global standards keeping pace with time.
- To motivate and train the youth towards the responsibility of Nation Building.
- To create a caring workplace that fosters teamwork along with personal and professional growth.

### TRAINING & PLACEMENT

Personality building is our prime objective. As such, our preplacement training programme includes test of reasoning, test of aptitude, improvement of vocabulary, group discussions and other brainstorming exercises aiming at encouraging:

- Unconventional Thinking
  - Team Work
  - Leadership
  - Technical and Managerial Skills
  - Continuous Improvement in Quality and Other Diverse Perspectives.
- Apart from this, we often invite Eminent Management and Technology Gurus to interact with our students.
