### MEMS INSTITUTION-INDUSTRY CELL

Industry Institute Interaction Cell is established to provide closer links with Industries. The purpose of the cell is to find out the gap between need of industry and end product of the institute. The cell is the bridge between the industry, the real world and the Institute.

#### OBJECTIVES:

1. To synchronize the imparted teachings to meet the current trends and needs of industry.
2. To produce employable students i.e "Industry-Ready students."
3. To create adequate facilities for upgrading knowledge of Professional Engineers and Technologist to meet the growth and developmental needs of the current industry.
4. To integrate industrial training and other inputs to develop students.
5. To share the experience and expertise between institutions and industries for mutual benefits.
6. To improve students, faculties, infrastructure, pedagogy in line with the industry's requirements.
7. To arrange industrial visit, internships for students and guest faculty from industries.

#### FUNCTIONS:

1. College / Industry Institute Interaction Cell continuously encourage students to undergoes Internship during semester vacation to synchronize the quality of education to meet the current trends and needs of industries.
2. To arrange the guest lectures by expert from industries frequently to make the students familiar with latest industrial practices so that they becomes "Industry-Ready Students"
3. To organize the industrial visit for students and staffs to learn the latest industrial practices.
4. To send the students for Industrial Training Programs to train them in the latest technologies.

The following members are the members of Institute-Industry Cell of Modern Engineering & Management Studies.
